General Course Rules

- Path and beyond is OB
- On or under benches is OB
- On, under, or inside the gravel base of picnic tables is OB
- Baskets not in play are 1m casual relief to either side
- Missed mandatories proceed to marked drop zones
- Please use spotters on holes where play is parallel to a walking path (Holes 2,3,4,5,10)
- There is barbed wire fencing in the trees on hole 4, so be watchful and take 2m relief if your disc lands near it
- We are responsible for any turf damage caused by the temp tee pads, so avoid worn down spots later in the day

The public still has the right to use any of the amenities in the park. Please be courteous to the other people in the park and provide warnings if you are throwing near someone. If other disc golfers show up, inform them that a tournament is going on. While we cannot ask them to leave the course, you are under no obligation to let them play through.
